Police report

Case No.:

Detective in charge:

Place:

Crime: Theft – Four laptops

From 17:30 to 19:00, all teachers were sitting in the classrooms with their students on the 2nd and 3rd floors. While the students were studying, someone unplugged the cameras of the 1st floor. The security cameras in the rest of the building were still working.

Only four (4) people were present on the first floor.

- The receptionist
- The marketing manager
- The resources manager
- A visiting client

At 18:30, the electricity went out. All students and employees were sitting in the dark for 10 minutes.

At 18:40, the power (electricity) came back.

At 19:00, the teachers finished their lessons. While the students were leaving the centre, the teachers found out that four laptops were missing.
